[Chorus]

Ahoo hot right now. Ahoo  
What the hell you talking about? Ahoo  
pardon me, VIP Oop I better watch my mouth. Ahoo

It's Sunday night I'm at the club  
In the middle of ???? from the hot tub  
I'm with my girls , we're having good time  
Waiting for that man of mine  
what's this I see, women staring at me  
And talking about me viciously  
Then they run to the mirror haistly

I'm at the bar I ordered a coke  
Man on approach, I think he's a joke  
He left his brain at the gym today  
Just a hot body and not much to say

So who you're trying to please?  
And why you're looking at me?  
So many chains round your neck and on your knees  
So how can I take you seriously?

[Chorus]

Ahoo hot right now. Ahoo  
What the hell you talking about? Ahoo  
pardon me, VIP Oop I better watch my mouth. Ahoo

It's time we shake it so we move across the floor  
Looking for my baby but he's stuck out side the door  
So we walk to the entrance of the club, Gonna have a  
word to the daddies out back  
Looking for our man, but the man just shrugs, Says  
there's  
nothing he can do, He can wait in the queue with boo  
boo

Israel:

Outside at the mosk On a Sunday eve,  
Asking home boy if he let me in said please  
Let me in dog im on the list damien D

he pushed me aside and told me: no hat no jeans  
I'm looking at him like gees these are Versaces  
Damn! He turned around gave me the cold breeze  
And let the dude in with his shirt open down to his  
knees  
Looking like Zoolander, I'm like please

[chorus](x2)

Ahoo hot right now. Ahoo  
What the hell you talking about? Ahoo  
pardon me, VIP Oop I better watch my mouth. Ahoo
