Like A Bird

I'm an addict and an angel, and I know that I am  
heaven expelled  
Don't need preacher or a teacher telling me about hell  
Narcissistic and I'm twisted but I've got secrets to tell

Let me add  
I am trapped with a past that has broken me down  
And in your eyes I see I've died just like the smile in my  
heart  
In the end, I'll begin like the bright morning star

Chorus:

Like a Bird  
Like a Bird  
Like an Island you can't reach  
I know I am stronger than you think  
Like a Bird or an Island you can't reach

I'm hungover and I'm colder  
from the spaces that your love left behind  
I've been drinking to stop thinking about the rage in my  
mind  
Made you taller standing smaller just to fit by your side

You were wrong, I am strong  
Just don't belong in the box of your thoughts  
You don't believe in me, what did you see in me?  
I 'm a gift that you got  
Gonna fly in your sky, be what you think I'm not

Chorus:

Like a Bird  
Like a Bird  
Like an Island you can't reach  
I know I am stronger than you think  
Like a Bird or an Island you can't reach

You don't believe in me  
What did you see in me oh

I hope you're watching me  
fighting to change

oh yeah.....
