I'm tired of high society
I'm tired of Hilton bling bling
(I'm tired of crappy T.V., Everybody's a celebrity)
I'm tired of supermodels
I'm tired of bad pop idols
(I'm drinking girls are you with me? Goin' clubbing girls
are you with me?)

Are you with me?(sir, yes sir)
I wanna go crazy (sir, yes sir)
Let's get dirty (sir, yes sir)
Say hey....

Chorus:

Tell your mama that you'll be late
then turn your cell phone off
Let's get Tuned Up
Let's get Tuned Up
Tell your mama that you'll be late
cause the party's going strong
Let's get tuned up
Let's get tuned up

2nd Verse

I'm bumpin' to my own beat
Freakin' out till I can't feel my feet
(Yeah I'm gonna rock the red boots, think I'm gonna
rock the red boots)
A little gloss and little ya-ya
No politics just party blah blah
(Going clubbing girls are you with me? I'm drinking
girls are you with me?)

Chorus

C part:

Don't need your curfews
Don't need your regulations
Don't need thses old rules

Wanna hear a good rotation
(sir, yes sir) Are you with me?
(sir, yes sir) Let's get dirty

Chorus
