He's got you drivin' a fine convertible
He's taken care of everything
He gives you diamonds & money & a four-car garage
He shows his love with the little things

I caught you staring and flashed a smile
Before you turned your head
I can tell that the thing you need the most
Ain't lying in your bed

A chain's only as strong
As it's weakest link
And the weak don't belong
When you're right on the brink
You want to forge a bond
You want a love that's real
It's a guarantee-count on me
I'm the Man of Steel

You thought that you's be happy
Having it all at your beck and call
But being the bosses' trophy wife
Ain't very satisfying at all
Just give me a chance and I'll touch you
Like you ain't been touched in a while
You want to feel what's real
I can close the deal
Take a walk out on the wild side

A chain's only as strong
As it's weakest link
And the weak don't belong
When you're right on the brink
You want to forge a bond
You want a love that's real
It's a guarantee-count on me
I'm the Man of Steel
