I wake up and I swear I'm still in a dream
'Cuz I was holding you all night
But your side of the room's still clean
I guess you're still mad
Baby, I've heard things
You're too stubborn to say you're wrong
Ain't that a helluva thing

Everybody wants to know how are things at home
I lie through my teeth
Then I try to move on
I remember the last time I saw you
How your eyes just glowed in the light
I didn't think it would last but he's treating you good
And that just ain't right

I'm Not Coming Back Until It Matters
I'm Not Coming Back Until It Matters
I'm Not Coming Back Until It Matters
So I guess I won't be coming back at all

On a dirt road out of town I hear your voice in the wind
It sounds like you laughing
Again and again
Every billboard is telling me to stop and turn around
I know I'd turn into a pillar of salt and crumble to the
ground

I'm Not Coming Back Until It Matters
I'm Not Coming Back Until It Matters
I'm Not Coming Back Until It Matters
So I guess I won't be coming back at all

Solo

Repeat Chorus
