What do you do when it rains?
Where do you go when the world falls on you?
Who do you call on when all your hope is gone?
All your hope is gone

What do you do in the pain?
Where do you run when you're thirsty again?
Who do you cry out to when all your strength is gone?
All your strength is gone

Come to me all who are weary
And I will give you rest
Come to me, my yoke is easy
And my burden, it is light, yeah

When all you can do is fight to hang on?
Why do you feel like you can make it on your own?
How long can you wait to hold on to His helping hand?
Hold on to His helping hand

Come to me, all who are weary
And I will give you rest
Come to me, my yoke is easy
And my burden, it is light

Come to me, come to me

There's rest for your soul
(Come to me)
Come rest your weary soul
(Come to me)

There's rest for your soul
(Come to me)
Rest your weary soul

Come to me all who are weary
And I will give you rest
Come to me my yoke is easy
And my burden, it is light

Come to me all who are weary

And I will give you rest
Come to me, my yoke is easy
And my burden, it is light

Come to me all who are weary
And I will give you rest
Come to me, my yoke is easy
And my burden, it is light

Come to me, to me, come to me
Come to me, come to me
Come to me, come to me
