I've been here before waiting in the mystery  
I've knocked on this door enough times to know  
That you're there for me  
My knees on the floor hoping for some clarity  
Knowing on thing's for sure his grace  
Has covered me  
Lord open the doors 'cause I'm movin' on faith  
Show me there's more than what this world is livin' for  
With what I can give it's the least that I can do  
An unshakable hope a life that's pleasing  
To you  
Knowing my prayers are heard my the author of  
change  
Just the best of intentions if he cares, if he cares, if he  
cares  
to rearrange  
Lord open the doors 'cause I'm movin' on faith  
Show me there's more than what this world is livin' for  
Lord open the doors 'cause I'm movin' on faith  
Show me there's more than what this world is livin' for  
In these times when I feel alone, I know my heart was  
made  
For another home  
Lord open the doors 'cause I'm movin' on faith  
Show me there's more than what this world is livin' for  
Lord open the doors 'cause I'm movin' on faith  
Show me there's more than what this world is livin' for  
Lord open the doors 'cause I'm movin' on faith  
Show me there's more than what this world is livin' for  
Lord open the doors 'cause I'm movin' on faith  
Show me there's more than what this world is livin' for
