I gotta fast car  
Can we go for a ride?  
Come on, I'm gonna getcha this time  
Lay down, all your troubles tonight  
'Cause I've found, something we gotta try  
You and I

It's crazy, good  
And all I wanna do is rock you senseless  
(Rock you senseless)  
Just one look  
Is all it's gonna take to rock you senseless, yeah  
(Rock you senseless)

Baby, I'm not another bad girl  
Trust me, I'm gonna shake up your world  
'Cause tonight, a chance is all that I need  
Don't fight, let me make you believe, we gotta try, yeah  
You and I

It's crazy, good  
And all I wanna do is rock you senseless, yeah  
(Rock you senseless)  
Just one look  
Is all it's gonna take to rock you senseless, oh oh  
(Rock you senseless)

It's not what you're thinking  
I don't want your heartache  
I only want you beside me  
If you don't, I won't be lonely

It's not what you're thinking  
I don't want your heartache  
I only want you beside me  
If you don't, I won't be lonely

And I gotta fast car  
Can we go for a ride?  
Come on  
I'm gonna getcha tonight

It's crazy, good  
And all I wanna do is rock you senseless, yeah  
(Rock you senseless)  
Just one look  
Is all it's gonna take to rock you senseless, yeah  
(Rock you senseless)

It's crazy, good  
And all I wanna do is rock you senseless, yeah  
(Rock you senseless)  
Just one look  
Is all it's gonna take to rock you senseless, yeah  
(Rock you senseless)
