So Yo  
We Here  
Grits

See the storm set in your eyes  
see the thorns twist in your side  
i wait for you oh  
slight of hand and twist of fate  
on a better mends he makes me wait  
and i wait without you oh  
(and i wait without you)

With or without you, oh (can't live, with or without you)  
with or without you, oh (i can't live, with or without you..  
one love)  
i can't think, oh with or without you (i can't live with or  
without you)  
with or without you

Through the storm we reached the shore, yea  
Give it all, but i want more  
and i'm waiting for you, oh

With or without you, oh (can't live, with or without you)  
with or without you, oh (i can't live, with or without you)  
i can't think, oh with or without you (i can't live with or  
without you)  
with or without you, oh  
with or without you  
i can't think, oh with or without you (i can't live with or  
without you)  
with or without you

My hands are tied  
My body is bruised, he's got me with  
nothing but win now  
nothing else to lose, yea  
and you give yourself away  
and you give yourself away  
and you give  
and you give

and you give yourself away

One love

Grits

with or without you, oh (i can't live with or without you)

with or without you, oh (i can't live with or without you)

Oh i

with or without you

i can't think, oh with or without you

with or without you, oh (i can't live with or without you)

with or without you, oh (i can't live with or without you)

with or without you

i can't think, oh with or without you

with or without you, oh (i can't live with or without you)

with or without you, oh (i can't live with or without you)

with or without you

i can't think, oh with or without you
