She walks on the beach

Man she looks so fine

Kisses sweeter than cherry wine

She's got that devil-look in her eyes

You best believe boy

You' pay that price

But when she walks

She walks with me

Makes me so blind

I don't wanna see the light

I just wanna see her tonight

Maryiaâ€¦won't you say you will

Maryiaâ€¦you give me such a chill

Maryiaâ€¦you know you're just like the wind

You fill my sails and then

You blow me away

Heyâ€¦pretty mayria

All the boys now we got a creed

Ain't no women ever make you bleed

Tell the boys now I'm tryin to stay cool

This little girl she breaks all the rules

Her pretty lies make me feel sad
But I still want herâ€¦and I
Want her bad tonight
'cause when she holds me tight
Maryiaâ€¦won't you say you will
Maryiaâ€¦you give me such a chill
Maryiaâ€¦you know you're just like the wind
You fill my sails and then
You blow me away
Heyâ€¦pretty mayria
She's a women
She can make my blood run cold
She's a women
Give me shivers down to my soul
Her heart of stone
She can't control
I just can't leave her alone
Hey little girl now the night's so long
We could walk it right through the dawn
I'm wearin' my heart out on my sleeve
Hey little girl what you do to me
Her pretty lies make me feel sad
But I still want herâ€¦and I
Want her bad tonight
Just want to hold you tight

Maryiaâ€¦won't you say you will

Maryiaâ€¦you give me such a chill

Maryiaâ€¦you know you're just like the wind

You fill my sails and then

You blow me away

Heyâ€¦pretty mayria

Maryiaâ€¦won't you say you will

Maryiaâ€¦you give me such a chill

Maryiaâ€¦you know you're just like the wind

You fill my sails and then

You blow me away

Heyâ€¦pretty mayria
