Written and originally performed by John Cafferty &
The Beaver Brown Band

A #7 Top 40 hit from 1984

Song was used in the movie Eddie and the Cruisers

The dark side's callin' now, nothin' is real

She'll never know just how I feel

From out of the shadows she walks like a dream

Makes me feel crazy, makes me feel so mean

Ain't nothin' gonna save you from a love that's blind

When you slip to the dark side you cross that line

On the dark side, oh yeah

On the dark side, oh yeah

Repeat
