When the moon hung soft and low,  
Catchin' stardust in the light  
You held me closer and closer  
There was magic in the night  
A sweet love song, a melody  
that I still can recall  
Two young hearts filled with dreams  
To walk away with it all  
Whoa, whoa tender years  
Won't you wash away my tears  
How I wish you were here  
Please don't go, tender years  
A summer love, a beach romance  
Sought her kisses in the sand  
Two young hearts filled with fire  
Lost in never-neverland.  
Whoa, whoa tender years  
Won't you wash away my tears  
How I wish you were here  
Please don't go, tender years
