(Hook)

When I smoke it  
I'm trying to get that feel  
When I roll it

I'm trying to get that feel  
When I light it  
I'm trying to get that feel  
I'm trying to get that feel  
When I roll it  
I'm trying to get that feel  
I'm trying to get that feel

(Verse 1)

Floating on that kush while I brainstorm  
Looking for a cloud to write my main mourn  
Blow that weed con this trend strong  
The motivation behind this damn song  
I'm trying to get that feel you know that's piffa pill  
Vanilla dutch stuffed with that cali kil  
I'm talking that bubble kush with that warner label  
Drift off in the sleep nobody can save you than I  
Fall into a deep abyss off them trippy sticks  
Dope don me quarters a better to make you feel and  
shit  
Smoke whatever vein you like bitch inhale my piff  
Laugh on the dispensary I'm on that potent shit  
Crack a fifty box and I OZ with my potent clique  
Then I rap a spliff saying where I rap the chip  
Brown skin fire thing I grind the hit  
Stoner life you know I keep one lid

(Hook)

When I smoke it  
I'm trying to get that feel  
When I roll it  
I'm trying to get that feel  
When I light it  
I'm trying to get that feel  
I'm trying to get that feel  
When I roll it

I'm trying to get that feel  
I'm trying to get that feel

(Verse 2)

Roll it let that kush burn  
I'm in the Matrix Larry Fishburn  
Exotic buds I'm rolling up  
That loud shit my lungs hurt  
Since youth been smoking heavy  
I do the source in that old chevy  
Kill shit like Wayne Perry  
Lynch Cinky my eyes cherry  
All buds no sticks and seeds  
Like my package all I'm green  
TAC I'm a fucking fiend  
Except hennesy I don't do the lean  
Lemonhaze OG ,sour D I don't do the green  
Sell dime smoke out the pee  
Lungs filled with smoke like a chimney  
Heard your songs got shit trashed  
Crushing buds on your LP  
Dre talking about detox  
I'm smoking till the death of me  
Pop a little of that pow and this  
The sack on me I smoke it quick  
Dutch master full of piff  
Cyphing with this model chick  
Out the OZ this Mary Jane keep controlling me  
Tryin to get that feel my truth smoke is on the deal  
Wrapping doobies up smoking till a nigga stop  
Shit ill I'ma stone off a real

Potent (x8)

Welcome to a potent life  
Welcome to a stoner life  
You in the world of a potent stoner life

(Outro)

Potent department  
Super lid extra coasting  
Floating on that extra strong  
Girl ash is cash bad  
We smoking out and have sex stoned  
My marijuana comes from Oregon  
Somebody's basement it was crowded on  
Up but excel on  
A cut boot steps beyond  
That bullshit of them boys stealing  
It's the potent department and they know derailing  
Trained nigga, lame nigga  
Put your bitch in my game nigga

We shake it in charge but operate it  
But because that pussy been slain nigga  
On the low down your girl dirty  
And that's a fucking shame nigga
