This is like if I wrote a letter to everybody I knew  
I'll make it up to you  
Just explaining like, my flaws  
I'll make it up to you  
And just kinda explaining what I would do to fix it

I'll make it up to you  
Potent, check it up  
I'll make it up to you

Dodging cops and police stations  
Never home, paper chasing  
But baby girl I promise  
I'll make it up to you  
You put up with all my BS  
You deserve that double VS around your finger  
You see every king need a queen  
With you I shall share my dreams  
And I might not beat it now, but  
I'll make it up to you  
God blessed me when God made you  
That's why I take chances and I make moves  
So a better life we can upgrade to  
Going hard is our order  
But I'm barely seeing my daughters  
So this is what I said last time I saw her  
I'll make it up to you  
Yeah, daddy's little girl always  
And daddy love his little girl all day  
Every day you don't ever play with my fam  
And these next few bars for my fans  
And know it's like I faded off the land  
But all my life  
I'll make it up to you  
Yeah, I'll make it up to you

All in, no days off  
Lord knows I hope it all pays off  
I was made for the top like steak sauce  
Go hard like I already made soft  
Poke shit I create that

Green on my mind like an azak  
Bout mind don't mistake that  
My girl bad but she straight bad  
My team boy, my team up  
My team good that's an A plus  
We smoke loud, we stunt loud  
But we don't say shit, make sense?  
Loyalty over royalty  
The foundation that's the sort of me  
Say don't bite the hand that feed you  
So I respect who employed me  
That's the end of that story  
I tell my moms I gotta say  
I hate for us to miss holidays  
But I'll make it up to you  
Forever love you with my all  
Spring, summer, winter, fall  
If I ain't there I'm just a call, a call away  
I call my dates  
I run the long scene in the go, just play  
I'll make it up to you  
Directed by the most high  
I'm so enwind to my so fly  
If I owe you one just know I  
I'll make it up to you  
I promise  
I'll make it up to you  
I'll make it up to you  
I'll make it up to you  
I'll make it up to you  
Just a kid from Harlem tryna make this dreams reality
