I'm large on the streets
Large on the-large on the streets
Yes I am
I'm large on the streets
Millz, (large on the streets every time I touch mike)
Most hated, (every time I touch mike, yeah)
and every time I touch mike
Dead presidents 2 (every time I touch mike, aha)
I'm large on the streets

I'm a little raspy right now but I don't really give a fuck
..'cause I keep creep I'm large on the streets
I'm out to talk some shit though
my nigga T streets in this bitch with me yeah

Rest in peace to the great big L
that's a holla nigga I promise to my demise
I'ma stay fly and speak well
Jae Millz on some action ever since escape key with
days
niggas was getting rough they ever rax it
straight reckless, one minute she dancin
next minute she gettin snatched out of benz in
I grew up down of block from Drew
..between ..but me and mom just pray the same
44 that's holla talking if you ain't understand
what up, house party but no house we all crammed
the small ass apartment, party in this dark
somebody start sparkin that's how I'm party
I'm from the holla with young goons to best look out
with most haters still throw the best with cook out
we all that swag all your team is scream come from
blue nigga tell you that he my son son

..every time I touch mike
every time I touch mike
every time, every time I touch mike
Shout out to the whole limits add
I'm large on the streets
shout to the whole holy
I just have to say shout to the whole limits at first

I'm large on the streets
I'm large on the streets
wcmb
smoking something bitch
