That shit was the worst

cause the greatest rapper of all time dot on..night

YO yo

First off rest in peace to the episode glorious
miss the notorious from ashy to classy is my story yes
underdog but my mind stays as victorious
ha, I'm from my place with young goons
block but only..me only plottin on all these niggas spots
yeah shout out all the wag niggas
I thank God I was never that nigga
no time for that corner chick chack nigga
I need that brand new Ferrari all black nigga
you ask which model I reply anyone
you come doing that you're coming up way I come from
holla boy with international ground bout the push
all this take to the back of the line
nigga pay harm and join understand what type of man I
am
shine in New York call me Millz in man in..
shoot your whole crew and I'm the cameraman
singin all straight to the Lord
f*ck an ambulance, be like win .found him
but I was chillin to the bench nigga..
smoke three blunts and I'm bout to burn again
I'm Willy Nelson with the shit
burning to the end, deep into the H
turning in the bings
your swag sticking the night
you earn warmth Jim
bad bitches get me good head
but that ain't shit I'm paper till I'm dead
'cause only thing that pay rent is that ..
and if you ain't got it your land I want you doubt it
playin with my nigga that's easy way
I first class easy ..easy no disrespect
just punch line get it no metaphor ..

yeah call em music or call me young barry
girls love me'cause I'm cool in my .. raspy
yeah I'm choppy but I'm cool ..
clean condo ..when the sky is shit more than ..
yeah I aint rich yet but I live high
I could tell you what holla it's gonna be next week
G shit we got a problem with G s me
I'm too old for twitter be from the world start
I'm from that ..nigga baby brother
get your baby mother rub in
been wait for you to come up and have it
and you don't come out for ..
and when you hide you're dying

I'm calling..Millz ain't the one the streets call alying
but I dont' say shit 'cause it's all about time
