Yo, one time for the money getters
Broke niggas cause me nerves, you're not wanted with
us
Bitch boy I got bread, and it ain't shit to put a couple
loafs on your head
No wonder though,
No surgery to undergo, just a couple from the foe
Shoot fast, slump them slow
These motherfuckers really think they stunting though
But they jury game got them looking like Brianâ€¦ whoa

Having hard times, there's no love to be found
Having hard times, in this crazy town
Having hard times, there's no love to be found

Ah, bumping â€¦ in the coop as I take off
Bad red bone with me rolling like a skateboard
And you ain't gotta ask what team I play for
Kill my voice box then 5 letters still say it all
While I'm seeing B, where's the fucking love
Even Steven A will tell you it's some fucking stunts
We ball, and all them other niggas fucking scrubs
Crew of the decade hater, what the fuck is â€¦

Having hard times, there's no love to be found
Having hard times, in this crazy town
Having hard times, there's no love to be found

Yo, no reason to ice the audemar
Pure gold, grab a fork, lame nigga, eat your heart out
Black mambas on the range and it's mad black
Brand new yankee fitted fuck a snapback
My low slammer let that choppa start chopping
And shoot your stupid ass back there when Chris Cross
was popping
Warm it up Mills, I'm about to
You got swag, this will clap it out you

Having hard times, there's no love to be found
Having hard times, in this crazy town
Having hard times, there's no love to be found

Say as the world keep spinning
My team keep winning
Having hard times, there's no love to be found
Having hard times, in this crazy town
Having hard times, there's no love to be found.
