Higher than we ever been
Higher than we ever been

Wish a nigga would
Bad rap on, blowin up my phone
Now we ain't in love we just kept sleeping alone
She said she love my voice, I said I love your dome
She said you're such an asshole, I said you're shitting

I'm am uptown nigga till the day I'm dead gone
Smoking that major strong
Call it razor ramone
Say hello to the bad guy
Shawty I be mad fly
That's that 1990 slain
You scullers call it swag ha?
I gotta rebuild my game from OGs
You be surprised where a couple grams a coke could
lead
She said I smoke too much
Hoe please I still get the job done cooli high
Come chief

It's a good day come through spend a band
We blowin loud baby tell a friend to tell a friend
We getting higher than we ever been

But I can't lie your sex is incredible
