What you heard?
Stunner, how much do you wanna put on it?
Cooking up!

Hook:

They're talking about me in the trap house
(What you heard?)
They're asking about me in the trap house
(What you heard?)
They're talking about me in the trap house
(What you heard?)
They're asking about me in the trap house
(What you heard?)
What the business is, stay about the mind
What the business is, stay about the mind
They're talking about me in the trap house
(What you heard?)
They're asking about me in the trap house

With them niggas worry about me for?
Fuck 'em all, my hot lady below sea..
And my neck too, I'm mourning like it's '88
We're eating over here, nigga, make a plate!
Get some, nigga get some
Damn bitches, when you see me, I stay with some
Are you happy cause you're wearing some spike
snickers?
Nigga, my snickers wearing spikes
Bottom of your snickers got that bald head, nigga
(joint)
The bottom of my snickers all red, nigga (Christians)
Trust them, five letters, use a dent, nigga!
The 'confetti shut out to my dread niggas!
You'll bes in the pre-set name'
I'll bes in the track, 2Chains '
Swing inside the side like they're doing the'
While I'm still over the store you afford the lock.
