That's the type of shit that I, that I
That's the type of shit that I be on
That's the type of shit that I, that I
That's the type of shit that I be on

I don't give a flyin hoe, I don't give a flyin
I don't give a flyin, I don't give a flyin
Her body rubbing all on my,
She thugging all on my
She looking like a heavy hitter
Baby hope to God you don't miss
I call whenever I want, hope on be there on time
You ain't even gotta drive, I send that... of mine
I don't mind being your daddy, see I don't mind being
that one
I don't mind being your daddy, see I don't mind being
that one
That's gonn get you where you want,
I don't mind being your daddy, see you don't mind...
I don't mind coming get that
Say, roll it up and let's roll out, said that's the shit to be
on
Talking shit to be talking, till I ask baby I'm gone
Do it all for my hood, we out here making that noise
We whip it up and let's roll out
Mama you ain't playing with no boys because
That's the type of shit that I be on
Mama you ain't playing with no boys because
That's the type of shit that I be on
I don't give a flyin hoe, I don't give a flyin
I don't give a flyin, I don't give a flyin

Man I'm rolling up in that porche oh, 4 door nigga like
oho
... I'm heavy, you got a chick I seen last Wednesday
Call her sister bad day, cause ever since she met
All she do is bless me

I don't mind being your daddy, see I don't mind being
that one
I don't mind being your daddy, see I don't mind being

that one
That's gonn get you where you want,
I don't mind being your daddy, see you don't mind...
I don't mind coming get that
Say, roll it up and let's roll out, said that's the shit to be
on
Talking shit to be talking, till I ask baby I'm gone
Do it all for my hood, we out here making that noise
We whip it up and let's roll out
Mama you ain't playing with no boys because
That's the type of shit that I be on
Mama you ain't playing with no boys because
That's the type of shit that I be on
This right here shawty ain't no game
A lot of niggas try but they just can't...
I don't give a fuck, so can we fucking fly away
We ain't gotta wait around, we can leave...
Say, roll it up and let's roll out, said that's the shit to be
on
Talking shit to be talking, till I ask baby I'm gone
Do it all for my hood, we out here making that noise
We whip it up and let's roll out
Mama you ain't playing with no boys because
That's the type of shit that I be on
Mama you ain't playing with no boys because
That's the type of shit that I be on
Mama you ain't playing with no boys because
That's the type of shit that I be on
That's the type of shit that I be on
That's the type of shit that I be on
That's the type of shit that I be on
Say, roll it up and let's roll out, said that's the shit to be
on
Talking shit to be talking, till I ask baby I'm gone
Do it all for my hood, we out here making that noise
We whip it up and let's roll out
Mama you ain't playing with no boys because
I don't give a flyin.
