Real niggas f*ck with me and I don't give a f*ck with them

Yeah, yeah

Uh, uh,

Hook:

While I'm on this earth, I gotta get it

F*ck being broke, I gotta get it

Loud weed keep me f*cking stone,

Real niggas f*ck with me and I don't give a f*ck with y'all

I don't, I don't give a f*ck with them

Bad bitches wanna f*ck so I don't give a f*ck with them,

I kill for mind you dare to think I f*ck you all

Real niggas f*ck with me, and now I don't give a f*ck with you

Nigga first's thing first, let me stake my name,

Let me stake where I'm from,

Bitch I'm Mills and I'm coming straight out of that

Dirty in white slam and I'm on my shit, and I'm on my shit like f*ck em,

And f*ck with me and now they on my dick, somebody hug em,

Somebody love em 'cause they need it,

I meet so weed it, I f*ck around and get a whole nigga life to lead it

Real nigga I beat, even Stevie see it, ain't no need to wonder just believe it,

The sun come out, am I convertible start show in cleavage

Broke nigga beat it, leaves!

[Hook:]

When you're on your grind, so you're hating all mine,

What the f*ck that about, got a condom on my wrist,

Got a condom on my neck, you can see I'm catching out

And Iâ€™m on my shit, like f*ck em,
They cheat our sperm like laster rame,
You love em, captain save our hoe,
Ass nigga hoe ass nigga, broke ass nigga,
Combine all those and your favorite rapper is that,
nigga
Nasty girl she screaming bust this ass nigga,
I bust up all of her ass nigga
That you wash... my cash nigga

[Hook:]

[Twista:]

Iâ€™m a creature donâ€™t f*ck with me Iâ€™m erotic,
â€™cause itâ€™s... and I got it, Iâ€™ma pull up and... hti the
engine
Full of... for the hustler... in the hoof
Got the... gunners, run up with
...
If you try to hate us in the way that could affect us
Let it knew â€™..... tell the bitch
Real nigga f*ck with me
F*ck who donâ€™t..
After that for the moon the goons for the tune
I can put em in the... glocks above
If you wanna be popular
While Iâ€™m on the glove I gotta have it
OG kush bout the Oâ€™s I gotta have it,
If I see your fat it and I got ti grab it
I keep all automatic, get money automatic.
