When I grow up
I wanna be a teacher
I wanna be smart
I wanna be the best I can be
When I grow up
I wanna be a doctor
I am a strong LATINO
When I grow up
I wanna travel the world
Chris ever win
Win is never quit
I wil not down
I will succed
I'm gonna make a difference
When I grow up
I wanna be an astronaut
I have a gift
I can use it
When I grow up
I wanna be the president of the united states
I want respect from my raza
I won't denied my people
Your talent is got give to you
And what ever you do with it
Is your gift to God
Gracias Dios , for helping me with this success
Por ayudarme, give my messages too
A toda la gente que me esta escuchando
Peace and love
