Verse 1

Laid out before me there
My choices not needed
My spirit's receded
Pre-determined I evolve
So I want the old me dead
I start to shed the old pieces
Just to watch them go
Cause I am unevolved

I stand against the winds of change
And I refuse to be blown away
Throw my pride up into the sky
Throw it up high, up high
I try to fight the increasing tide
As I watch my friends walk into the night
Just to watch them go
To watch the go cause I am unevolved

Chorus

I am unevolved
So unevolved
I am closer now
Than before

Verse 2

Laid out before me there
The truth about freedom
Mistakes will not be repeated
Pre-determined I evolve
So I won't be defeated
And I will not be retreated
Just to watch them go
Just to watch them go cause I am unevolved

I stand against the winds of change
And I refuse to be blown away
Throw my pride up into the sky
Throw it up high, up high
I try to fight the increasing tide
As I watch my friends walk into the night
Just to watch them go

To watch the go cause I am unevolved
