lyrics by Harry Conklin

Circus goes 'round in my mind  
Leaving all logic behind  
How can I be living here ?  
When I am no where near  
[V2]  
Imagination has got the best of me  
Turning one man into many  
Outside I am silent  
Inside I'm so violent !  
[C]  
Displacement  
I'm beside myself  
Displacement  
Am I me or someone else ?  
Displacement  
Struggle to find a way home  
Displacement  
No longer alone  
[V3]  
Busy inside all the time  
So many live inside my mind  
Some have such loving ways

Some need to inflict pain !  
[B]  
My name is legion for I am many  
Inside we are all we need  
To release myself from this prison  
Reborn into flesh again  
My friends shall follow leaving no one  
A shell of human remains  
The many out weight the one  
My sacrifice made will be you  
[SPOKEN]  
HATE, LOVE, ANGER, DESIRE, JEALOUSY, LUST,  
DESPAIR.  
[V4]  
Trigger responses to fear  
The weak one is no longer near  
Impulses that drive me to

Things I don't want to do
