Tried to pass you by Â– couldn't do a lie
From the inner mind Â– a dead passer by
Take ya from the back Â– out like a light
Can you taste the kill Â– she's screaming in the night

Gonna get you real Â– licking up your thigh
Bitch is gonna do Â– or she'll tell a lie
Bathe in your blood Â– naked in your sin
Don't you know she dies Â– cause she's fucking all the men

Bastard wants to cry Â– raped as a child
Bastard wants to die Â– psycho driven wild
Bastard sends a chill Â– cry to your heaven
Bastard wants to kill Â– GMV 407

Had to steal your life Â– soul is gone forever
Doesn't really matter Â– so fucking clever
Feeling really good Â– slip it to the dead
Bitch is gonna die Â– she's covered in red

Bastard wants to die Â– raped as a child
Bastard wants to cry Â– psycho driven wild
Bastard sends a chill Â– cry to your heaven
Bastard wants to kill Â– GMV 407
