[Mekada Davis]

Oh, hmm, oh

You know what he said to me last night

(What did he say?)

It wasn't right

That's why I'm leaving

(You should be leaving)

Talking 'bout how he wish he left me

(for real?)

A long time ago, oh

[Mya]

Well you know it's easy to break a young girl's heart

But now you're getting older

Your heart is getting colder, yeah

And when you talk to him

I know his voice sounded a little sweeter

Cut the bullshit, I can't fall for it no more

[Mekada]

For sure

I was all the woman he needed

In his life

But he fucked that up

[Mya]

For sure

You're was all the woman he needed

In his life

But he fucked that up

[Mya](Jagged Edge)

Hello?

(Hey put Mekada on the phone)

Still calling here?

(Yeah I'm calling there, what you doing there?)

She don't wanna talk to you

(What do you mean she don't wanna talk to me?)

(You better put her on the phone)

You know what you said to her last night  
Oh you forgot?  
It wasn't right  
That's why she's leaving  
(Why is she leaving)  
Yelling out to her you wouldn't be back to (ooh)  
To see her no more, ooh

[Jagged Edge]  
Tell her I'm sorry  
Cause I never meant to go and break her heart  
Don't wanna fall apart

[Mekada]  
And I've decided I don't want you no more baby

[Mekada]  
For sure  
I was all the woman he needed  
In his life  
But he fucked that up

[Mya]  
For sure  
You're was all the woman he needed  
In his life  
But he fucked that up

[Jagged Edge]  
(if you really want me baby)  
You know that  
It takes two  
(it takes two)  
You can't put it all on me girl  
(put it all girl)  
You was doing your thing too girl  
If everything was wrong  
Tell me why you stayed with me so long, yeah  
To tell the truth  
You ain't really all that  
Baby here's the door

[Mekada]  
For sure  
I was all the woman he needed  
(you was all that i needed)  
In his life  
(but you never believed in me)  
But he fucked that up

[Mya]

For sure  
You're was all the woman he needed  
In his life  
But he fucked that up

[Mekada]  
for sure  
(if you wanna be with me baby)  
i was all the woman he needed  
(stop lying)  
in his life  
(stop cheating)  
but he fucked that up

[jagged edge]  
belieeeeeeeeeve meeeeeeeeeeee

[Mya]  
for sure  
you were all the woman he needed  
(i was all the woman you needed)  
in his life  
but he fucked that up
