Mic check, one, two get ready uhm
I'ma get you sweaty and JE they gon' give you some
Mic check, one, two get ready uhm
I'ma get you sweaty and JE they gon' give you some
Mic check, one, two get ready uhm
I'ma get you sweaty and JE they gon' give you some
Mic check, one, two get ready uhm
I'ma get you sweaty and JE they gon' give you some

I've tried to let you go so many times yes I have
And I never thought that going back would ever cross
my mind
See I find, it's only you, back to give me that special
treatment
I ain't never been one to beg, baby I miss you and baby
I need you

You know I like the way you make me feel inside
Baby I just can't shake ya, I'm addicted to your love
baby
All day all night you make me feel so right
Baby I just can't shake ya, I'm addicted to your love
baby

The thought of you it makes me go crazy and I know
If you trust me you could be my one and only lady
And you make me feel like I wanna feel
Taking your time, let me know what's real
You know that it feels so right, so give me what you got
tonight

Lady when I close my eyes
All I see is you and all the beautiful things we used to
do
Lady when I close my eyes
It's only you I think of, 'cause I'm addicted to your love

You know I like the way you make me feel inside
Baby I just can't shake ya, I'm addicted to your love
baby
All day all night you make me feel so right
Baby I just can't shake ya, I'm addicted to your love

baby

You know I like the way you make me feel inside
Baby I just can't shake ya, I'm addicted to your love
baby

All day all night you make me feel so right
Baby I just can't shake ya, I'm addicted to your love
baby

You know I like the way you make me feel inside
Baby I just can't shake ya, I'm addicted to your love
baby

All day all night you make me feel so right
Baby I just can't shake ya, I'm addicted to your love
baby
