Can we be tight again?  
Can we, can we, can we? Ooh  
'Cause you wanna know something?  
JE y'all

Can we be tight?  
Can we be tight again?  
Can we be tight?

I can't go one more day without your love, I'm giving up  
Got all my niggas sayin', I'm a punk, and I don't wanna  
Feel like I'm chasing, wasting time on you  
If you're really through that's cool  
Don't hang up the phone as I pour my soul

It's been about two years had fears but girl I had to call  
you  
I had to stop my drinking, smoking even stopped my  
balling  
I heard that y'all broke up hope that you ain't too  
choked up  
One day I just woke on up, baby, can we be tight?

I wanna be there for you all I can  
Can we be tight again?  
I know you just got over your man  
Can we be tight?  
I tried to ask you time and time again  
Can we be tight again?  
Again, again

Can we be tight?  
I wanna be there for you all I can  
Can we be tight again?  
I know you just got over your man  
Can we be tight?  
I tried to ask you time and time again  
Can we be tight again?  
Again, again

I know that going on without someone you love can be  
so hard and

I know it's 'cause of me girl that you just can't let down  
your guard and  
I know your relationship with him ain't work it ain't like  
I'm the only jerk  
Give me one more chance, girl I'll make it work

'Cause every day that I live  
It seems I learn a lot more about women in general  
They just wanna be loved, just wanna be hugged and  
kiss, be included  
Every heart got a glitch, every dog got a bitch  
Every man got a whip, mine is you, oh, oh, oh

Can we be tight?  
I wanna be there for you all I can  
Can we be tight again?  
I know you just got over your man  
Can we be tight?  
I tried to ask you time and time again  
Can we be tight again?  
Again, again

Can we be tight?  
I wanna be there for you all I can  
Can we be tight again?  
I know you just got over your man  
Can we be tight?  
I tried to ask you time and time again  
Can we be tight again?  
Again, again

Can we be, can we be tight?  
Messed up in the past  
And baby now I know better  
Can we be, can we be tight?  
Give me one more chance  
Girl I know I'll do it better

Can we be, can we be tight?  
Messed up in the past  
And baby now I know better  
Can we be, can we be tight?  
Give me one more chance  
Girl I know I'll do it better

Can we be tight?  
I wanna be there for you all I can  
Can we be tight again?  
I know you just got over your man  
Can we be tight?  
I tried to ask you time and time again

Can we be tight again?  
Again, again

Can we be tight?  
I wanna be there for you all I can  
Can we be tight again?  
I know you just got over your man  
Can we be tight?  
I tried to ask you time and time again  
Can we be tight again?  
Again, again

Can we be tight?  
I wanna be there for you all I can  
Can we be tight again?  
I know you just got over your man  
Can we be tight?  
I tried to ask you time and time again  
Can we be tight again?  
Again, again
