Dreamed You  
From Down 2 Earth soundtrack

(College Park to Decatur to The Swats and back to  
College Park) 3x

College Park, know what I'm saying, this goes out to all  
our Atlanta family  
Cuz the love we get, we gots to be dreaming baby,  
know what I mean, JE yo, all the time.

She came to me like a vision in the night  
Thought I was wrong but I had to be right  
I just can't believe that you're the real thing  
And I'm trying to figure out this feeling  
Was it a dream or you're just that right  
Smile like bling and a body so tight  
Let a brotha know how you feel, cuz I've been lookin'  
for a girl that's real.

BRIDGE I:  
When they say that they be lookin' for the real men  
Always claiming that they want the fuckin' real thing....

(You the one I wanted all my life, baby tell me are you  
just that right yeah)

BRIDGE II:  
Must be something bout the way you work that body,  
thinkin' bout you like your my hottie.

(So I wanna be with you, baby tell me have I dreamed  
you.

CHORUS:  
Thought I dreamed you, one night when I closed my  
eyes  
Can't believe that you're really mine  
Told myself a thousand times, that's why I thought U  
dreamed you  
I ain't never been this lucky, girl like you, with a dude

like me  
You're the just to good to be true, thought I dreamed  
you.

Girl I believe in love at first sight, even though I saw  
you in a dream one night  
Girl you were sent to change me life, I know it's real  
I dreamt about twice, so if you're lonely need someone  
to hold you, call me up  
And baby girl I'm a come through  
I got the thing you feel up in your knees, and baby  
you're the only one for me.

BRIDGE I

(You must be lookin' for me)2x

BRIDGE II

(If I had a dime for every thought, girl I'd be a very rich  
man)

CHORUS

(Lately I can't wait to get to sleep at night  
And I think about what life would be like (with you)2x  
Lately I can't wait to get to sleep at night, and I)....

....If I'm dreamin' of you, then please don't wake me.

Um oh ah um, um, ah, oh um.....

CHORUS
