I need a drink 'cuz you're drivin' me to drink
I need a drink 'cuz you're drivin' me to drink
I need a drink 'cuz you're drivin' me to drink
It's about to go down

When the remy's in the system, it aint no tellin'
What the other person sayin' there's too much yellin'
Even though I know, that ain't what I need
I cant take the naggin' and the bitchin' and the
screamin'
No matter what I do it just ain't enough
You say I don't take you out and buy you stuff
But you got these thangs, provided by me
Somebody pass me the V S O P

I need a drink 'cuz you're drivin' me to drink
Two shots of attic and I ain't even gotta think about
The way I don't do this
The way I don't do that
You might deserve a slap
But girl I can't go out like that

I need a drink 'cuz you're drivin' me to drink
Two shots of attic and I ain't even gotta think about
The way I don't do this
The way I don't do that
You might deserve a slap
But girl I can't go out like that

Come home from a long day
Instead of havin' dinner ready all you got is somethin'
to say
Goin' on like I need that
I'm doin' all I can and you can keep that
Said "I, Never met no girl like you ungrateful that's the
truth"
For who's always got a problem
Won't you tell me what I'm supposed to do
Girl you got some issue yes you do
Straighten all that out baby or I won't keep it with you

I need a drink 'cuz you're drivin' me to drink

Two shots of attic and I ain't even gotta think about
The way I don't do this
The way I don't do that
You might deserve a slap
But girl I can't go out like that

I need a drink 'cuz you're drivin' me to drink
Two shots of attic and I ain't even gotta think about
The way I don't do this
The way I don't do that
You might deserve a slap
But girl I can't go out like that

Say you got me on that Hen dog
'Cuz I'm tired of askin' you what's wrong
And I'm feeling kinda crazy
All I want is somethin' from my lady
Say you got me on that Hen dog
'Cuz I'm tired of askin' you what's wrong
And I'm feeling kinda crazy
All I want is somethin' from my lady

I need a drink 'cuz you're drivin' me to drink
Two shots of attic and I ain't even gotta think about
The way I don't do this
The way I don't do that
You might deserve a slap
But girl I can't go out like that

I need a drink 'cuz you're drivin' me to drink
Two shots of attic and I ain't even gotta think about
The way I don't do this
The way I don't do that
You might deserve a slap
But girl I can't go out like that

You're drivin' me to drink, yeah
You're drivin' me to drink, yeah
You might deserve a slap
But girl I can't go out like that, no, no

I need a drink 'cuz you're drivin' me to drink
Two shots of attic and I ain't even gotta think about
The way I don't do this
The way I don't do that
You might deserve a slap
But girl I can't go out like that

I need a drink 'cuz you're drivin' me to drink
Two shots of attic and I ain't even gotta think about
The way I don't do this

The way I don't do that
You might deserve a slap
But girl I can't go out like that

I need a drink 'cuz you're drivin' me to drink
Two shots of attic and I ain't even gotta think about
The way I don't do this
