Now I met this little girl in Daytona  
Spring Breakin with my dawgs I was on her  
Didn't give a chance to let another dude get one her  
Y'all know I came with my mack game, hood like a crap  
game  
I caught her her early I was sober  
Tha meant my thoughts going right and my words  
flowin' nice and  
When she movin got me on the fly  
Get ready for take off them clothes got to break off  
Got her gigglin and laughin and I know she knows  
what's happening  
She can tell by the way I'm rapping, gotta rap this up  
baby that's wuts up

*[Chorus:]*

She like a girl gone wild,  
Can't miss the girl she stand out in the crowd and  
Young & sexy with the freaky freaky style  
Walked in the party, make the club buck wild hey

Little Mama she like a girl gone wild, her and all her  
girls stand out in the crowd  
Young & sexy with that freaky freaky style  
Walked thru the party make the club buck wild  
Hey Hey, yeah yeah yeah yeah

Now, when I met her she was sipping a Corona  
And I was really really feeling her persona (didn't have  
a chance)  
I knew I had to put it on her.  
Cause I gets down like a stickup, everybody put yout  
hands up  
See I ain't tryna hurt nobody  
But I was taken by her bangin' body  
Loving her can really be my hobby  
I got her laughin, I'm about to cash in  
It those girls gone wild Little bit freaky but it's just my  
style  
She be killing me with her smile  
Truthfully speaking she is buck wild
