Sometimes, what may be the best thing for you to do  
Sometimes that's the hardest thing for you to do  
And that, that's real you know 'cause  
I know I love you, I know how I feel about you  
But I also know, that don't make everything alright  
And for that reason, I gotta say, "Goodbye"

Tell me, have you ever been in a  
Situation where the best thing you could do  
Was the hardest thing you've ever done  
But you try to do what's right

And I know deep down inside  
That I really wanna be there by your side  
But I can't stand to see you cry  
Not when it's because of me

And it's over  
I'll never love another  
I'm always thinkin' of her  
I'm doin' this because of her

I don't wanna say, "Goodbye"  
I don't wanna let her see me cry  
Lookin' out the window an' wonderin', why?  
Did we have to say all those things  
That we said that night  
Baby, I don't wanna say, 'Goodbye'  
So I'm just standin' here wonderin', why?  
Just don't like to see when you cry  
So I'ma say, "Goodbye"

You think 'cause I packed your stuff  
Inside I ain't really, really crackin' up  
'Cause you're wrong I just hide it good  
'Cause I know that's what you need girl

And there's more to life than lovin' yourself  
You gotta learn to love somebody else, yeah  
And that's why I do the things that I do

And it's over

I'll never love another  
I'm always thinkin' of her  
I'm doin' this because of her

I don't wanna say, "Goodbye"  
I don't wanna let her see me cry  
Lookin' out the window an' wonderin', why?  
Did we have to say all those things  
That we said that night  
Baby, I don't wanna say, "Goodbye"  
So I'm just standin' here wonderin', why?  
Just don't like to see when you cry  
So I'ma say, "Goodbye"

Ain't no one in this world that can ever take your place  
All the love that we share it can never be erased  
And I know that, that it hurts so bad  
And I'm sorry babe, you're the best I've had

Ain't no one in this world that can ever take your place  
All the love that we share it can never be erased  
And I know that, that it hurts so bad  
And I'm sorry babe, you're the best I've had

Ain't no one in this world that can ever take your place  
All the love that we share it can never be erased  
And I know that, that it hurts so bad  
And I'm sorry babe, you're the best I've had

Ain't no one in this world that can ever take your place  
All the love that we share it can never be erased  
And I know that, that it hurts so bad  
And I'm sorry babe, you're the best I've had
