Now your girl said you were out looking for me
If so, then you need to come and see
If you're ready for a night that you will never forget
I'll give you pleasure and real love
If you let me...

Baby tell me what it is you want from me
Don't beat around the bush if you want my body

If you want it girl, I got it
Come and get with me
Girl I'll turn your body inside out
And bring extasy
If you want it, baby come and bring your body to me
If you need it, girl I got it, got it
Got-got-got got it, come on

cs (Girl I got it)
Shake, shake it baby
Shake, shake it
Shake, shake it mama
Shake for JD
Let me see you
Shake, shake it baby
Shake, shake it

Shake, shake it mama
Shake for JD
Let me see you

Baby tell me what it is you want from me
Don't beat around the bush if you want my body

If you want it girl, I got it
Come and get with me
Girl I'll turn your body inside out
And bring extasy
If you want it, baby come and bring your body to me
If you need it, girl I got it, got it
Got-got-got got it, come on

Trust me girl
You need to come with me
I've searched all around the world
Finding you is like a dream
When we wake up, you won't feel the same about me
Cause you'll realize
You're life won't be the same without me, whoa

Baby tell me what it is you want from me
Don't beat around the bush if you want my body

If you want it girl, I got it
Come and get with me
Girl I'll turn your body inside out
And bring extasy
If you want it, baby come and bring your body to me
If you need it, girl I got it, got it
Got-got-got got it, come on

Just you and me
I told you bring your body, to me
And tell everybody about me tell about me
The things I'll do to your body
You'll love me and we can be

girl whats your astrology
virgo, if so
you the same sign as me
gemini is the fly the kind i need

i love aquarius, and pices
can't leave a libra
i live life day to day
lit a playa playa
supportin' my women
all my capricorns and scopio women
leos and cancers girls be bad
only sign i can't deal with is sag
confusing my enemies
never losing, clever movement
x moving where the women be
ammused by my energy when they chose me
i just tell them the musics my remedy
i just swell them and leave them swollen
girl this is something that you need to know

If you want it girl, I got it
Come and get with me
Girl I'll turn your body inside out
And bring extasy
If you want it, baby come and bring your body to me
If you need it, girl I got it, got it
Got-got-got got it, come on

If you want it girl, I got it
Come and get with me
Girl I'll turn your body inside out
And bring extasy
If you want it, baby come and bring your body to me
If you need it, girl I got it, got it
Got-got-got got it, come on
