(Jermaine Dupri)

Y'all know where we takin' this

J-E y'all, Nas, So So Def

(Nas)

I'm nasty, never let a pretty face pass me

C'mon y'all knowin' it's easy

For me to get a good girl

Turn her out to sleazy and trashy

She's freaky, live in the bed

Make baby girl eyes roll in her head

This what you need

My mission's to please

Hands to the sky, Nas, J-E

(Jagged Edge)

Your girl said you was out looking for me

If so then you need to come and see

If you're ready for a night that you will never forget

I'll give you pleasure and real love

If you let me...

Baby tell me what it is you want from me

Don't beat around the bush if you want my body

Chorus:

If you want it girl, I got it

Come and get with me

Girl I'll turn your body inside out

And bring extasy

If you want it, baby come and bring your body at me

If you need it, girl I got it, got it

Got-got-got got it, come on

Trust me girl

You need to come with me

I've searched all around the world

Finding you is like a dream

When we wake up, you won't feel the same about me

Cause you'll realize

You're life won't be the same without me, whoa

Baby tell me what it is you want from me

Don't beat around the bush if you want my body

Chorus

Just you and me

I told you bring your body, to me

And tell everybody about me

The things I'll do to your body  
You'll love me and we can be  
(Nas)  
Girl what's your astrology, virgo?
