[JD:]

Yall know where we takin this

Nas {I got it}

So So Def

[NAS:]

Im nasty (Nasty)

Never let a pretty face pass me (Pass me)

Come on, yall know when its easy (Yeah)

For me to get a good girl

Turn her out to sleazy and trashy (Uh-oh, uh)

Shes freaky (Freaky), live in the bed (Uh)

Make baby girl eyes roll in her head (Woo)

This is what you need, my mission is to please

Hands to the sky, Nas, JE

[JAGGED EDGE:]

Your girl said you was out lookin for me

If so, then you need to come and see

If youre ready for a night that you will never forget

Ill give you pleasure and real love if you let me

Baby, tell me what it is

You want from me (Let me know, let me know)

Dont beat around the bush

If you want my body

If you want it, girl, I got it, girl

Come and get with me

Girl, Ill turn your body inside out

And bring ecstasy

If you want it

Baby, come and bring your body to me (Bring your body)

If you need it, girl, I got it, got it (Oh...ooh...)

Got-got-got-got it, come on

Could you follow me, girl

You need to come with me

Ive searched all around the world
Finding you is like a dream

When you wake up
You wont feel the same about me
Cause youll realize
Youre life wont be the same without me, whoa...

Baby, tell me what it is
You want from me (What you want from me)
Dont beat around the bush
If you want my body

If you want it, girl, I got it, girl
Come and get with me (Oh...oh...)
Girl, Ill turn your body inside out
And bring ecstasy

If you want it (If you want it)
Baby, come and bring your body to me (Bring your
body, baby)
If you need it, girl, I got it, got it (Yeah, yeah, yeah)
Got-got-got-got it, come on (Lets go)

Just you (Just you, girl) and me (And me, yeah)
Baby, just bring your body (Bring your body) to me (To
me)
Tell everybody (Tell everybody) to come by me
The things Ill do to your body
Youll love me and we can be

[NAS:]
Girl, whats your astrology
Virgo, if so you the same sign as me
Geminis are fly, the kind I need
Love Aquarius and Pisces
Cant leave a Libra
I live life day to day, let a player play
Supportin my women
All my Capricorns and Scorpio women
Leos and Cancer, girls be bad
Only sign I cant deal with is Sag
Confusin my enemies, never losing
Clever movement, act smooth with the women
Be amused by my energy or they choose me
I tell just em the musics my remedy
I just swell em and leave em swollen
Girl, this is something that you need to know

[JAGGED EDGE:]
If you want it, girl, I got it, girl

Come and get with me
Girl, Ill turn your body inside out
And bring ecstasy

If you want it
Baby, come and bring your body to me
If you need it, girl, I got it, got it
Got-got-got-got it, come on

If you want it, girl, I got it, girl
Come and get with me
Girl, Ill turn your body inside out
And bring ecstasy

If you want it
Baby, come and bring your body to me
If you need it, girl, I got it, got it
Got-got-got-got it, come on
