[JD (JE)]  
(Girl I got it)  
Shake, shake it baby  
Shake, shake it  
Shake, shake it mama  
Shake for JD  
Let me see you  
Shake, shake it baby  
Shake, shake it  
Shake, shake it mama  
Shake for JE  
Let me see you

[JE]  
Now your girl said you were out looking for me  
If so, then you need to come and see  
If you're ready for a night that you will never forget  
I'll give you pleasure and real love  
If you let me...

Baby tell me what it is you want from me  
Don't beat around the bush if you want my body

If you want it girl, I got it  
Come and get with me  
Girl I'll turn your body inside out  
And bring extasy  
If you want it, baby come and bring your body to me  
If you need it, girl I got it, got it  
Got-got-got got it, come on

Trust me girl  
You need to come with me  
I've searched all around the world  
Finding you is like a dream  
When we wake up, you won't feel the same about me  
Cause you'll realize  
You're life won't be the same without me, whoa

Baby tell me what it is you want from me  
Don't beat around the bush if you want my body

Just you and me  
I told you bring your body, to me  
And tell everybody about me  
The things I'll do to your body  
You'll love me and we can be

[Trina]

Uh, uh

I need a hot thug who can handle this  
And in the hot tub with the candles lit  
I got the Crisy-Cris on the bottle of ice  
Like Biggie Smalls say, we fuckin' tonight  
JE Heartbreak, make it flow better  
Making love on a bed full of rose petals  
Just hold on tight cause my love is real  
I make you feel extasy without the pill  
I wonder how many licks do it take  
To make you, break you, make your body shake  
Make my inside out  
Ride out, spend a week in Hawaii, hide out  
And if you want it you know that I got it  
Give it to me daddy, you know that I'm bout it  
And if you throwin' that \*\*\*\*  
I'mma do my thang and throw this \*\*\* back at at you  
like a boomerang

Baby tell me what it is you want from me  
Don't beat around the bush if you want my body
