JD) This here
Is a remarkable So So Def
Remix
J.E y'all
Run-DMC to the beat y'all
Ah-ha ahhh-ha
And me?
Ya'll know my name

See, first of all
I know these so-called playas wouldn't tell you this
But I'm a be real and say what's on my heart
Let's take this chance and make this love feel relevant
Didn't you know I loved you from the start, yeah

When I think about
All the years we've put in this relationship
Who knew we'd make it this far
Then i think about
Where would I be if we were to just fall apart
And I can't stand the thought of losing you

CHORUS

Meet me at the altar in your white dress
We ain't getting no younger, we might as well do it
Been feeling you all the while girl I must confess
Girl let's just get married
I just wanna get married

REPEAT

Said I done it all
But frankly girl I'm tired of this emptiness
I wanna come home to you and only you
Cause making love to just anyone ain't happening
I just gotta be with you

Do you think about
Us finishing somethin we started so long ago
I wanna give you my all
Do you think about, maybe us having some babies?
Come on won't you be my lady

Forever, yeah

(Run) What's going on across the scene
It ain't nuttin, I ain't Frontin, Shorty comin with me
Now I done already gave you the keys to the Ranger
Your last name bout to change
Now you're Mrs. Simmons, Got a better livin
What a difference, Grab my name
I used to be the snake type, Hanging out late night
Girl you done made me change my life
Ever since you met me, keys to the bentley
Now they call you the preachers' wife
I'm the type of guy that
Take you out and buy that ring
With the rock that'll break your arm
Players won't try that, now you can't deny that

(Ohhhhhhhhh)

CHORUS x4
