Ooooooh...

Ooooooh...

Ooooooh...

Ooooooh...

[Chorus:]

Every time you need a lover  
Just a shoulder to cry  
Every time you're hurt  
Just tell me who was there to stand by  
Me, that's who (Who)  
Girl, you know  
Me, that's who (Who,who)  
Who was there to dry your tears  
It never mattered 'bout why  
Always, try to cheer you up  
And turn your grey to blue sky  
Me, that's who (Who)  
Baby girl, me that's who

[Verse 1:]

Girl, I see a lonely night  
But when you think of all these other nights  
When you think of all the time  
And all the love that we put in  
Girl, it just ain't right  
Just ignore these feelings  
Had to see a lonely night  
But I'm standing here right by you tonight  
Time you get afraid, girl I'm not the reason  
That's where we're all afraid  
Cause we don't know the reason  
If it's gonna work in our way  
And if it's gonna work in our favor  
I'm not to blame  
I'm not the enemy  
Girl, I'm tryna save us  
Baby...  
Ooooooh...

[Chorus:]

Every time you need a lover

Just a shoulder to cry (All the time)  
Every time you're hurt just tell me who was there to  
stand by (Stand by)  
Me, that's who (Who)  
Girl, you know  
Me, that's who (Who, who)  
Who was there to dry your tears  
It never mattered 'bout why (It never mattered 'bout)  
Always, try to cheer you up  
And turn your grey to blue sky  
Me, that's who (Who)  
Baby girl, me that's who  
Ooooooh

[Verse 2:]

It seems like it's been an alright night  
And your mood changes with every day and night  
Baby, I'm not sayin, you don't have reason  
Know that when we prayin'  
We can change the season  
(Girl, there goe my shoulder 'night)  
You can lean on me  
Girl, I won't get tight  
Girl, I'm not to blame  
Just wanna shower you with my love  
Wrap you up in my love  
(And give it all to you, you)  
Ain't a thang in this world  
I won't do for you love (you)  
And I'ma wrap you up in my love  
Cause you...(Me, yes)

[Chorus:]

Every time you need a lover  
Just a shoulder to cry (Shoulder to cry)  
Every time you're hurt  
Just tell me who was there to stand by  
Me, that's who (Who...Me, that's who)  
Girl, you know  
Me, that's who (Who, who...that's who)  
Who was there to dry your tears (Yeah)  
It never matter 'bout why  
Always, try to cheer you up  
And turn your grey to blue sky  
Me, that's who (Who...I'ma pick you up when you're

Baby girl, me that's who (Turn your smile from a frown,
