No one know what's in between this linen, no one know  
what's in between this linen  
She don't really know, she don't she don't really know  
Tell him he don't really know, he don't he don't really  
know no  
He don't know how you be moaning you be moaning  
you be oh-oh-oh-ing  
Oh oh oh oh oh oh you be moaning groaning  
They don't know that I'm your fan that I'm your man but  
I'm your number one roadie  
oh oh oh oh oh oh the way you moaning moaning

(moaning moaning)  
I can't wait to hear you?  
(moaning moaning)  
Can't wait to hear you moaning (x2)  
(moaning moaning)  
yeah yeah

You want a see it, you wanna see the morning  
Sweat dripping from my forehead, but you gave me the  
go ahead so get ready  
Just lay down on your backside let me get a sip of that  
act right  
I'll been waiting all week for this sack time girl be  
steady  
I'm loving you tonight, no work and no children  
Touching you just like we was back in high school just  
grinding, grinding slow winding  
Hunching like it ain't no more, they said we couldn't  
make it but here we are forever more

No one know what's in between this linen, no one know  
what's in between this linen  
She don't really know, she don't she don't really know  
Tell him he don't really know, he don't he don't really  
know no  
He don't know how you be moaning you be moaning  
you be oh-oh-oh-ing  
Oh oh oh oh oh oh you be moaning groaning  
They don't know that I'm your fan that I'm your man but  
I'm your number one roadie

Oh oh oh oh oh oh the way you moaning moaning

(moaning moaning)

I can't wait to hear you?

(moaning moaning)

Can't wait to hear you moaning (x2)

(moaning moaning)

yeah yeah

Feel like I just crashed and burned, cause every time

it's over I feel like a crashed up Rover

But awaiting your return, I need that loving

Sometimes teardrops come with moans, and loves run  
down our faces

She can't stop she's in this place where she get all  
alone

I'm loving you tonight, no friction, no fighting

My love's for you tonight, it's our way in this bedroom

Everybody really think they know 'bout me and you  
what's going on but

They don't really really know, nah they don't really  
really know

No one know what's in between this linen, no one know  
what's in between this linen

She don't really know, she don't she don't really know

Tell him he don't really know, he don't he don't really  
know no

He don't know how you be moaning you be moaning  
you be oh-oh-oh-ing

Oh oh oh oh oh oh you be moaning groaning

They don't know that I'm your fan that I'm your man but  
I'm your number one roadie

oh oh oh oh oh oh the way you moaning moaning

(moaning moaning)

Girl I love way you?

(moaning moaning)

I love the way you?

(moaning moaning)

I love the way you moaning

Handcuffing, say shorty that's my girl girl

Coasting, drowning like a 4 wheel motion, ocean

We got a room overlooking that, anything to keep this  
love intact

Made up my mind it's going down tonight

I'm loving you tonight, no work and no children

Touching you just like, we was back in high school just  
grinding, grinding slow winding

Hunching like it ain't no more, they said we couldn't  
make it but here we are forever more

No one know what's in between this linen, no one know  
what's in between this linen

She don't really know, she don't she don't really know  
Tell him he don't really know, he don't he don't really  
know no

He don't know how you be moaning you be moaning  
you be oh-oh-oh-ing

Oh oh oh oh oh oh you be moaning groaning

They don't know that I'm your fan that I'm your man but  
I'm your number one roadie

oh oh oh oh oh oh the way you moaning moaning
