She stay on the top of my mind, my mind,  
Like all the time,  
(on the top of my, on the top of my, on the top of my)  
She stay on the top of my tongue, my tongue, my

JAGGED EDGE:

Never leave my mind for a moment, for a moment girl  
No that ain't no line,  
In a second she be walkin' back in lookin' extra good,  
and always oh so flyyyyy,  
You got that fire and I'm about give it to you, (Ooh, ooh,  
ooh... It's so good)  
I'm about give it to you, yeah  
Here in the moments in love,  
We both hide, and hide, and hide...

TRINA:

He ain't gotta pay for it cause he know it's all his,  
4 with a bad squad,  
All our bags match our heels,  
I'm swag surfin' baby  
I got too much to feel,  
It's so sweet in my Vickie's,  
He can't believe it's real,

He like em red bone,  
He love em Independent,
