I'm trying to find the words that will keep her down
Man I swear I'll keep her down
I'm trying to find the words that will keep her down
Man I swear I'll keep her down

This girl, she's so amazing
She's everything I dreamed that a woman could be
She sends all of my senses into a whirlwind
'Cause it's her eyes and her smell that gets me
And I think that I could be with her if I could tell her how
I feel
I'll let her know that this thang that I feel is real
If I could find the words that'll put her down
Man I swear I'll keep her down, down

Trying to find the words to express how I feelin'
Trying to let you know that I'm through double dealin'
Don't know what I'd do if I really lose your lovin' now
I gotta get my act together, put my baby first in line

Trying to find the words to express how I feelin'
Trying to find the words, find the words, find the words
Don't know what I'd do if I really lose your lovin' now
I gotta get my act together, put my baby first in line

You know girl, she keeps her faith in him
When I'm short on the sticky, she's always got me
Make me feel like a P I M P
Naw, that just ain't me, ain't even in my league
Girl, you know you got me crazy
Shady girls done left a bad mark on my heart
Scarred me up, ain't give a damn about my heart
Gotte get it right with you, I need to find the words

Trying to find the words to express how I feelin'
Trying to let you know that I'm through double dealin'
Don't know what I'd do if I really lose your lovin' now

I gotta get my act together, put my baby first in line

Trying to find the words to express how I feelin'
Trying to find the words, find the words, find the words
Don't know what I'd do if I really lose your lovin' now
I gotta get my act together, put my baby first in line

I don't know, why I can't find the words to say
Exactly how I feel about you
But all I know, if you leave me
Girl don't you leave me, I don't know what I'll do
And I don't know
I don't know
I don't know

I'm trying to find the words that will keep her down
Man I swear I'll keep her down
I'm trying to find the words that will keep her down
Man I swear I'll keep her down

Trying to find the words to express how I feelin'
Trying to let you know that I'm through double dealin'
Don't know what I'd do if I really lose your lovin' now
I gotta get my act together, put my baby first in line

Trying to find the words to express how I feelin'
Trying to find the words, find the words, find the words
Don't know what I'd do if I really lose your lovin' now
I gotta get my act together, put my baby first in line

Oh yeah, oh yeah, oh yeah
Oh yeah, oh yeah, oh yeah
Oh yeah, oh yeah, oh yeah
