[Intro:]

Rock Steady....

Move your body, yehh, yo' body, yo' body

I hope this song really does that trick(Downloading in

Way you move that body so sick (Three, two)

One.....

[Chorus:]

I'm hopin' that this one day turns you on (Turns you on)

And we can intertwine until the early morn'

Oooo-on...

Oooo-on...

Oooo-on...

Put you on

I'm hopin' that this one day turns you on

And we can intertwine until the early mornin'

Oooo-on...

Oooo-on...

Oooo-on...

Put you on

Put you on

[Verse 1:]

So ready for the word, you say you want, so okay

Try to turn you on and you don't even get a say

And baby, I need you in my bed (Need you in my bed)

And I'm doin' all I can girl

Just tryna please you baby

Oh, maybe even teach you lady

Get your mind right tonight

I'm switchin' on my hard drive

Searchin' you tonight (Oooh)

For my computer crush...

[Chorus:]

I'm hopin' that this one day turns you on (Turns you on)

And we can intertwine until the early morn'

Oooo-on...

Oooo-on...

Oooo-on...

And we can intertwine until the early mornin'

[Verse 2:]

Girl, it ain't no thang
If your with it, we can swing
I'm ready and willin' (I'm ready and willin')
And if you want it baby, I'll let you feel it
See nothin' is promised, to you tonight
But babygirl, I know I'll freak you right
Yes I can, can
I'll freak you right, I will (Oooh)
I'll freak you right, I will (Oooh)
I'll freak you like no other man
Has ever made you feel...

[Chorus:]

I'm hopin' that this one day turns you on (Turns you on)
And we can intertwine until the early mornin'
Oooo-on...
Oooo-on...
Oooo-on...
Put you on
I'm hopin' that this one day turns you on
And we can intertwine until the early mornin'
Oooo-on...
Oooo-on...
Oooo-on...
Put you on
Put you on

[Bridge:]

Girl I really know, just what you need
Eleven, twelve songs of that new J.E
Crazy of me, to think that I
Could let you leave my bedroom, not tonight
Girl I'd do it all
(What, what, what, what)
I wanna love you (Just to turn you on)
(What, what, what, what)
Let me turn you on (Girl I'll turn you on)
(What, what, what, what)
I wanna love you (Just to turn you on)
Just to turn you on
Just to turn you on
(Wanna turn you on girl....)

[Chorus:]

I'm hopin' that this one day turns you on (Turns you on)

And we can intertwine until the early morn'

Oooo-on...

Oooo-on...

Oooo-on...

Put you on

I'm hopin' that this one day turns you on

And we can intertwine until the early mornin'

Oooo-on...

Oooo-on...

Oooo-on...

Put you on

Put you on
