[Verse 1:]

The truth about it baby  
If it were me, I woulda done the same thang  
If it was me, that caught you cheatin' in the streets  
If it was me, that caught you creepin' two or three  
times, I'd cry  
The truth about it baby  
You's the sweetest, the sweetest lil' girl, but  
I've messed up, in this fake ass crazy world, and  
Here's another song 'bout tryna get your girl back  
Ooh

[Pre-Chorus:]

Kissing you (Oh)  
Kissing you (Love kissing you)  
Loved the way our lips used to meet  
I've destroyed everything  
I can hear what they say  
And I know the

[Chorus:]

The whole town's laughin' at me  
How'd the hell I mess up such a good thang  
She was your woman (Yes she was your woman)  
Should never turn your back on your woman  
They said come back around  
Then the whole town laughin' at me (Whole town, no  
no)  
How'd the hell I mess up such a good thang (Oh)  
Baby, I'm sorry (Baby, I'm sorry)  
I hope it's not too late to say I'm sorry (I hope it's not too  
late)  
The whole town laughin' at me, me me

[Verse 2:]

The thing that drives me crazy  
If it was me, woulda gave you understanding  
Woulda gave you like, two or three more chances  
Cause it's hard to find  
Similar romance like we have  
Thoughts of you, they chase me  
I can't go to bed, I see you in my dream

My nightmare seems like I keep falling (Falling)  
Falling...nobody to catch me

[Pre-Chorus:]

Kissing you (Oh)  
Kissing you  
If I had it, to do over again  
I'd treat you like a friend  
That way, we'd have a bond that we can't break

[Chorus:]

The whole town's laughin' at me (Oh)  
How'd the hell I mess up such a good thang (Such a  
good thing, yeah)  
She was your woman (My woman)  
You never turn your back on your woman (Never turn  
my back on my)  
They said come back around  
Then the whole town laughin' at me(Oh)  
How'd the hell I mess up such a good thang (Such a  
good thing)  
Baby, I'm sorry  
I hope it's not too late to say I'm sorry (I'm sorry baby,  
yes I am)  
The whole town laughin' at me, me me

[Bridge:]

Ha, ha, ha, ha, ha, ha, ha... (Oooh)  
That's the sound that I hear-er-er-er (Oooh)  
I should've kept you right here  
Should've kept you right here-er-er-er (Oh yeah)  
Should've put you down, busy runnin' around  
And I hate to be the laugh of the party, oh no no  
Drowning sorrows in this crowd  
(Sorrows in this crowd)  
Crying tears of a clown-own-own  
(Crying tears of a clown)  
You know I hear them laughin' at me

[Chorus:]

The whole town's laughin' at me  
How'd the hell I mess up such a good thing  
She was your woman (Oh she used to be my)  
Never turn your back on your woman (I gave her loving  
all the time)  
They said come back around (Feels like I'm breaking  
down down down)  
Then the whole town laughin' at me (I'm breaking down  
down down)  
How'd the hell I mess up such a good thang (I'm  
breaking down down down)

Baby, I'm sorry  
I hope it's not too late to say I'm sorry (Oh)  
The whole town laughin' at me, me me
