(feat. Blaque & R.O.C.)

[JE & Blaque]

Ooh, ooh

Come on, come on, come on

[1] - [JE & Blaque]

Yo you can always go

I'm saying yo

If you ain't with it

You can split it baby

Yo forgive me I am not for you

Gotta let you know

Baby you can be just like wall

Just let me know

And you can go

[Blaque]

Just wanna know why

You don't be here like you're supposed to

Just wanna know why

Do you - and why you drink so much to

Just wanna know why

You can't be what I want you to be

If you want me, oh yeah

(Yo, yo, yo, yo)

[JE & Blaque]

You know, I know

You ain't try-na change so

You go, I go

We ain't gotta stress no more

You know we ain't gotta stress no more

[Repeat 1]

[Jagged Edge]

Just wanna know why

You always trippin' about what I don't do

(Why you trippin'?)

Just wanna know why

You try-na change me

When you got at me
Don't think that you're better than me

Just cause you don't get down me
Let a man be a man be a man
Or I'mma go, yeah
(Yo, yo, yo, yo)

[JE & Blaque]

You know, I know
You ain't try-na change so
You go, I go
We ain't gotta stress no more
You ain't gotta stress no more
Baby you can go, yeah

[Repeat 1]

[Jagged Edge]

You say you want me
Baby now I see
That you just wanna change me

[Blaque]

No, you're not what you said you were
So you can get your things and go

[R.O.C.]

We can go bounce, baby bounce, be out
As a matter fact mama wait a minute
(Hold up!)
This is my house
So yeah I ain't going no where so pack yours
Have a good life, whoa THAT AIN'T YOURS
Forget it I have another White Amara
Under the covers baby I'm the R.O.C.
Hopefully I'll call ya
Yeah sure please do me a favor
If you gon' leave twist lock the door
And drop the keys, ya know

[Repeat 1]
