Uh Ohhhhh Baby, baby
Uh Ohhhhh Baby, baby
Uh Ohhhhh Baby, baby
Uh Ohhhhh, Uh Ohhhhh

It's still fresh in my mind
Thinkin' bout the days and
The times that we were together
Thought that everything was fine
His and her cars even a dog that we bought together
Always trying not be spiteful
But I'm kinda hurt though that's why I let it go
Gotta find a way to let you know
You work me and you done hurt me

(hook)
You done hurt me, broke my heart
Played me like a fool
So heres my chance to get back at you
So I gotta do what I gotta do
And I know two wrongs don't make it right
But you done hurt me, you done hurt me
And I know two wrongs don't make it right
But I can't live life like this...
No more

So many times in my mind
I done planed it out already,

And all the things I'll do
I know just the girl and I might even know two
Cause all I can think about
Is how to get back at you?
You should be feelin' bad too
It's like they say
Misery loves company

You know, I know
I never cared much about it
Never gave a second thought about...
Nothing, I finally figured it out
I'm reaping what I saw and now

Im going on with my life
So that I can look
For my future wife and now

It don't matter to me now..
You done hurt me
