Yeah

The party where you at just let me know
Don't be trippin' when you see us in the clubs
Just show us a little love
Represent your side like me

'Cuz around here
If you're stickin' with your hubs on
With a shot gun double barrel got one
Belvedere in the rear

Of the club pulled up on dubs
And we 'bout to go write the bar up
So, so for sure we ain't playin'
Act with no lanes, parkininsane

Aye where the party the party at?
Girls on the way where the Bacardi at?
Models and models talkin' all of that
You know, I can't forget about my thugs
(Where the party at?)

And all my girls
(Where the party at?)
Up in the clubs
(Where the party at?)
If the party is where you at let me here you say

Uh ohh
(Oh, oh, oh, oh)
Uh ohh
(Oh, oh, oh, oh)
Uh ohh
(Oh, oh, oh, oh)

If the party is where you at just let me know

All the girls in the club in their best outfit
Just showin' that skin just tyrin' to make a nigga wanna spit
Where you been girl? You and your friend
Need to come to the back, where we got it locked down

In your white t-shirt or a 3 piece suit
Don't matter what you wear
All that matter is who you're with
Someone jiggy, someone straight around
All up in the club is just to have a good time

Aye where the party, the party at?
Girls on the way where the Bacardi at?
Models and models talkine all of that
You know I can't forget about my thugs
(Where the party at?)

And all my girls, uh
(Where the party at?)
Up in the clubs, JE
(Where the party at?)
Now me
If the party is where you at let me here you say

(Eh)

With the rose not the one wit the steam, the one with

The one that seems to make more enemies than

I'm slidin' in past those, fo eyes closed , mo on rose,
[unverified]
With the S O, S O, D E dot F

Buyin' bottles and bottles 'til there ain't nothin' left
I'm quick to go left, I plays with no revs
My jams goin' def baby show me the clubs

Mix it with the Crisp baby what's wrong with that?
We in the V.I.P's twisted
Down right stiffed it
Two way [unverified] boo it make like you missed it
