Yeah, Yeah, Yeah, Yeah  
Every time you hurt me I don't know  
Why I can't throw your clothes out the window  
Every time I try to be strong and let you go  
You start talking sweet to me like I was you ho

Tell me baby what you want with me, doing this to just  
embarrass me  
Tell me who think you pimping boy when I'm the only  
one who brings you joy  
And I'm the one who keeps you stash, never make you  
spend the money you flash  
Never ask you for a fucking thing, and you gave that  
bitch my diamond ring  
I don't know why I try, to believe all your lies  
Every time using me, why I act like you playing big  
deez  
Why I still understand, you got more kids than you said  
you had man  
Every time a new girl pops up, I guess I don't give  
enough

Every time you hurt me I don't know  
Why I can't throw your clothes out the window  
Every time I try to be strong and let you go  
You start talking sweet to me like I was you ho

Tell me baby what you want from me, do you just want  
to embarrass me  
Tell me why I let you steal my  
You don't know how bad it hurts me, when my niggaz  
laugh at me  
I don't know what's keeping me but the sex ain't as  
good as it use to be so  
I don't know why I still pay your bail and you deserve to  
be there  
And every time that your're broke, I pay you money just  
to leave me alone  
Why I don't understand that you ain't no kind of man  
Giving me grabbing my clothes, I guess I don't get  
enough

Every time you hurt me I don't know  
Why I can't throw your clothes out the window  
Every time I try to be strong and let you go  
You start talking sweet to me like I was your ho
