I feel like, Ive been abused, I mean it's like hand me
down shoes
??? on my birthday, I feel divorced on my anniversary
and I

Same shit different day, things change, but what about
me
Its cool I know the game, find a way to deal with the
pain
Same shit different day, things change but what about
me
Pass away and go on, on, on, on
I forgive you yes but I wont forget no, no

See if I let you, you was brother built on honesty and I
Suppose that you and me can talk about anything and
everything
You was the same but you changed baby you say it's
me
But Im treating you accordingly

Same shit different day, things change, but what about
me
Its cool I know the game, find a way to deal with the
pain
Same shit different day, things change but what about
me
Pass away and go on, on, on, on
I forgive you yes, but I wont forget

Oh Oh Ooh Ooh , Oh No Ooh Oh
Had it all wrong, Oh Oh

Same shit different day, things change, but what about
me
Its cool I know the game, find a way to deal with the
pain
Same shit different day, things change but what about
me
Pass away and go on, on, on, on
I forgive you yes, but I wont forget
