Yeah, yeah, yeah, yeah
Every time you hurt me, I don't know
Why I can't throw your clothes out the window?
Every time I try to be strong and let you go
You start talking sweet to me like I was you ho

Tell me baby, what you want with me?
Doing this to just embarrass me
Tell me who think you pimping boy?
When I'm the only one who brings you joy

And I'm the one who keeps you stash
Never make you spend the money you flash
Never ask you for a fucking thing
And you gave that bitch my diamond ring

I don't know why I try to believe all your lies
Every time using me, why I act like you playing big
deez
Why I still understand, you got more kids than you said
you had man
Every time a new girl pops up, I guess I don't give
enough

Every time you hurt me, I don't know
Why I can't throw your clothes out the window?
Every time I try to be strong and let you go
You start talking sweet to me like I was you ho

Tell me baby, what you want from me?
Do you just want to embarrass me?
Tell me why I let you steal my
You don't know how bad it hurts me
When my niggaz laugh at me

I don't know what's keeping me
But the sex ain't as good as it use to be
So I don't know why I still pay your bail
And you deserve to be there

And every time that you're broke
I pay you money just to leave me alone

Why I don't understand that you ain't no kind of man
Giving me, grabbing my clothes, I guess I don't get
enough

Every time you hurt me, I don't know
Why I can't throw your clothes out the window?
Every time I try to be strong and let you go
You start talking sweet to me like I was your ho
