Stay boy, oh tell 'em how I feel
(Tell em how I feel)
Stay boy, oh tell 'em how I feel I
(Tell em, tell 'em how I feel)

Woke up, feeling fine, look to my left, there's sunshine
Dare I tell him what's on my mind
(Hell no)
Don't tell him things might change
I thought things feel strange, I know I never I feel this
way

Maybe I should stay
(Clear my mind)
Maybe I should know
(Reflect on good times)
Maybe I should go
(Run to him)
Tell 'em how I feel

Maybe I should stay
(Clear my mind)
Maybe I should know
(Reflect on good times)
Maybe I should go
(Run to him)
Tell 'em how I feel

Jumped out of bed
I run to the bathroom
Looking for guidance in the mirror
Mirror, mirror what should I do

Don't break the rules, you silly fool
Keep your cool, things are going good, ooh
I run things can be better
But at this point does it really matter if I stay

Maybe I should stay
Maybe I should know
(Reflect on good times)
Maybe I should go

(Just run to him)
Tell 'em how I feel

Maybe I should stay
(Should I, should I, should I)
Maybe I should know
(Reflect on good times)
Maybe I should go
(Run to him)
Tell 'em how I feel
Should I tell him how I feel
